

Time to Dance!

The information below is NOT on the mailed form so please read so you have all the information.

Of course, we all know things can change daily, but this is the plan as of now. There will be more updates and information to come.

PLEASE READ ALL INFORMATION BELOW TO MAKE YOUR DECISION ON REGISTERING FOR DANCE.

In Person Classes:

The health of our dance families is vital to the continuation of Studio 3-D. Measures will be taken to ensure safety:

1. In person classes will have a maximum of 10 students.
2. Time between groups of dancers to keep the number of people in the studio low and for cleaning. Hand sanitizer will be available.
3. Create a BUBBLE class: if you have been limiting your children to certain families/children; a class can be created just for you: minimum 5 kids, close in age. Just put names of other kids and what time and day works for all of you on your registration form.
- 4) Distancing dance will continue: Kids will be spaced out and not come in contact with others in the class.
- 5) Masks? Once we approach September 28, more information will be emailed about masks. If it is still mandated, all classes will probably go online. I cannot imagine the dancers and teachers able to wear masks doing what we do. If the masks are not mandated, all adults will still need to wear masks in the studio. It is recommended that students do also until they get into the dance room with their dance bag and water bottle.

Online & In Person Classes:

As you can see, I have available class times from 9:00AM- 9:00PM

My hope is that if some kids are home because of online school, I can offer classes during the day for ALL AGE GROUPS so please keep that in mind when filling out the registration form. I also understand things might change but we will take one trimester at a time and cross that bridge when we get to it. We just need to DANCE!!!

Please contact Debbie if you have any questions:

debbie@dancestudio3d.com or (608)764-8069

Thank you for all your support through this!
Gratitude,
Debbie
